*Winter hits New Jersey*

*Michael Russo makes force*

*Holiday party fun & games*

## Years of Service Awards ceremony held at McHutchison

The sign of a good company is the number of long term employees. We had an awards ceremony to recognize these dedicated individuals.

Four 35 plus year awards

Seven 15 plus year awards

Two 30 plus year awards

Twelve 10 plus year awards

Three 25 plus year awards

Twenty one 5 plus year awards

Eleven 20 plus year awards

Thank you all for your years of service.

## Thomas Edison Awards for innovative thinking

The Thomas Edison Awards are given to the individuals whose continued innovative thinking has saved our company time and money. The winners are:

1<sup>st</sup> Place Denise Marmarellis (Mail and shipping savings)

2<sup>nd</sup> Place Denise Pisaniello (Collection consolidation)

3<sup>rd</sup> Place tie went to John McKenna & Bob Lopresti (800# savings & print savings)

Congratulations and keep up the great work!

ESOP Committees are an exciting and profitable success. Kathie Nemec and Denise Pisaniello are enjoying this time to relax and visit with everyone during the Holiday Party.

Congratulations to Michael Russo who has become a special officer for the town of Cliffside Park, NJ. Michael has been with McHutchison since March 20, 2008. Lori Peterson (Char) is his proud mom. We all wish you much success.

Winter hits hard this year. We are all feeling the freeze.

## FOOD AND GIFT DRIVE

Patricia Moraites organized a food and gift drive for local homeless families. The food pantry serves over 700 people a month. Many everyday items were needed and the people of McHutchison came to answer that need. Patricia is happy to report that she delivered fifteen bags of food and supplies to the pantry. At this time of year giving back and being thankful for what you do have is a very important message. Thank you to all who supported this drive.

**“When times are tough and fear curdles our cheer, when all seems lost, love finds a way.” ~ Patricia Crisafulli~**

## Candy Ornaments

- Bag of gum drops or other soft candy
- Styrofoam ball (any size)
- Straight pin
- Festive ribbon
- Hot glue gun

Cover a Styrofoam ball with gumdrops, or other candy, using hot glue.

Loop ribbon into a bow with two larger loops for hanging.

Push ribbon into Styrofoam with straight pin. Add hot glue for extra strength.

This year McHutchison hosted an ornament exchange. We sat in a circle with our wrapped ornament and read a story as we past the ornament to our left or right, as the story called for us to do. When the story ended we kept the ornament in our hand. This was so much fun and something we will do again and again. HAPPY HOLIDAYS!!!
